Willard Monson House Ste. Rose Du Lac, Manitoba

This is an exciting time for Manitoba health care. Manitoba's health system is currently in transition with planning and changes aimed at improving the quality, accessibility and efficiency of health care services throughout Manitoba. Manitoba's health system contributes to the health and resilience of Manitobans across the province by providing addictions services and supporting healthy behaviours. If you would like to be part of a foundation of excellence in addictions services and support and build a new vision of integrated health services in Manitoba, consider a career with us.

Reporting to the Supervisor and working within an integrated multi-disciplinary team, the Residential Care Worker is required to provide services to adult clients engaged in addiction treatment. This position requires a commitment to a client-centred philosophy and approach to the development, provision and support of programs and services.

For a complete job posting, please visit the AFM website at www.afm.mb.ca/careers.

This position is subject to a Criminal Records Check (including vulnerable sector), Adult Abuse Registry Check, and a Child Abuse Registry Check. The successful candidate will be responsible for any services charges incurred.

If you are currently employed by PMH, please utilize the internal application form. In order to be considered for the position, both internal and external applicants must submit a current resume with their application form.

If you are an external applicant, please include three work related references with this application. They must be from persons who are not related to you, and who have direct knowledge of your past work performance.

PMH has an Aboriginal Human Resource Initiative and is committed to increasing the representation of Aboriginal people within all levels of our workforce. Aboriginal applicants are encouraged to voluntarily self identify as being of Aboriginal descent in their cover letter and/or within their application form.
