## Flat Glass Technician

Other ,Dauphin, Manitoba, Canada

### Job Description

Currently hiring for a **FLAT GLASS TECHNICIAN**. We specialize in all things glass. The Flat Glass Technician is a key member of our team responsible for the quality and efficient installation of residential flat glass. Exemplifying our code of values, you show respect and courtesy to all customers and employees.

You are self-motivated, thrive in fast-moving environments, and able to manage time to effectively meet deadlines.

### JOB REQUIREMENTS

- Prior experience is a must.
- Ability to measure accurately and use tape measures and levels.
- Physical ability to work with ladders and related equipment required for flat glass installation.
- Great communication skills.

WE OFFER BENEFITS, GREAT WORK ENVIRONMENT AND MORE!!!

We are actively interviewing for this position - Apply today and our hiring manager will follow-up!
